

## Litigation & Appellate

---

Your litigation team will execute mediation, arbitration, litigation, and appeal strategies to suit your needs. We are tenacious advocates in and out of the courtroom, and we have the experience in state and federal court to advise you every step of the way. We have experience in handling complex business and commercial disputes, including contract disputes, shareholder disputes, labor and employment litigation, securities litigation, bankruptcy, insurance coverage disputes, construction disputes, probate disputes, and real estate and condemnation work. We also have the judgment to counsel you on litigation risk and prevention.

With backgrounds as judicial clerks and members of the appellate bar associations, our appellate litigators have the skills and knowledge to get the best result on appeal.
