

Estates, Trusts & Fiduciary Litigation

Best & Flanagan represents fiduciaries and beneficiaries in every aspect of estate and trust-related litigation. Best & Flanagan is unique in that our primary fiduciary litigators are also estate planners. This combination of disciplines gives us a unique perspective to fiduciary disputes. Our litigators have successfully advocated our clients' rights in district court, the Minnesota Court of Appeals and the Minnesota Supreme Court. When it is in our clients' best interests to do so, we guide both fiduciaries and beneficiaries through the alternative dispute resolution process. We have successfully resolved a broad spectrum of disputes.
