Emily Egan is a senior paralegal in the Litigation and Real Estate practice groups, where she uses her strong research and analytical skills to assist in a wide range of matters.

Litigation:

- › Part of the firm's electronic discovery team
- › Skilled in e-discovery technology programs including Relativity and Summation
- › Assists in drafting pleadings
- › Conducts factual research
- › Manages and analyzes discovery (focusing on eDiscovery)
- › Works with service vendors to coordinate details related to the discovery process

Real Estate:

- › Drafts various real estate documents (mechanic's liens, deeds)
- › Analyzes title policies and property reports
- › Conduct research regarding title history
- › Prepares legal descriptions
